

1 February 2024

Dear Applicants,

**Consolidation of Two Majors of Bachelor of Science (Hons) (JS2510)**  
**with effect from the 2024/25 Intake**

We write to inform you that with effect from the 2024/25 intake, two of the majors of Bachelor of Science (Hons) (JS2510) will be consolidated as follows:

<b>Old arrangement: Two Programme Majors</b>	<b>New arrangement: One Programme Major with Two Concentrations</b>
Bachelor of Science (Hons) in Chemistry 化學理學士(榮譽)	BSc (Honours) in Biochemical and Testing Sciences 生物化學和檢測科學理學士(榮譽)
Bachelor of Science (Hons) in Analytical and Testing Sciences 分析和檢測科學理學士(榮譽)	<ul style="list-style-type: none"><li>- Biomedical Chemistry Concentration 生物醫學化學專修</li><li>- Testing and Certification Concentration 檢測和認證專修</li></ul>

The consolidation of the two programme majors provides students with a strong foundation in all principal areas of chemical sciences and equip students with amply knowledge and skills in (applied) chemistry and biochemistry, solving real-world scientific problems especially in biomedicine and (bio)chemical testing.

In this connection, special arrangements have been made with the JUPAS Office to allow **all JUPAS applicants** to revise and reprioritise their programme choices. For the details, please refer to the email sent by the JUPAS Office.
