

1.6 Verify Mismatched Data between Records in JUPAS and HKEAA

1.6 核實「大學聯招辦法」紀錄與香港考評局紀錄不一致的個人資料

Introduction

After extracting HKDSE Examination records from the Hong Kong Examinations and Assessment Authority (HKEAA), inconsistency in personal information may be found between records in JUPAS and the HKEAA. You are required to verify such mismatched data via the homepage of your JUPAS account. If you fail to do so, you will no longer be able to access the information contained in "My Application" in your JUPAS account.

After submission of the verified mismatched data, the selected name and / or date of birth will be saved in your JUPAS account. Please note that the JUPAS Office may amend your name and / or date of birth selected according to the information stated in the uploaded HKID card copy without further notice.

Should there be any inconsistency or ambiguity between the English version and the Chinese version, the English version shall prevail.
